Santa, that's who

Story Time Has Recess

Story Time has been cancelled until after the holidays, and will resume on January 11, 1969 at the usual hour of 10:30 a.m. There will be two groups as before with a half-hour session for the little ones and an hour for the older children.

New books in the Children's Library include:

Three books about colour for the picture book set, by Wolff, offering an entirely new approach. These are entitled "Seeing Red", "Feeling Blue" and "Hello Yellow".

Also a story about a wily old bull-frog by Freschet and a whimsical tale called "Rain makes Applesauce" by Scheer and Bileck.

At long last "Pagoo" by Holling and "Minn of the Mississippi" by the same author, have arrived at the library. The boys will be interested in Coomb's "Skyhooks", a story about helicopters and the girls will enjoy Streatfield's "Wintle's Wonders" a fiction story about the ballet.

These are just a few of the many books purchased recently and there are many more interesting books on order.

New Chimes

"Something new" is about to be added at Streetsville United Church where chimes are being installed on the organ.

It is hoped that the chimes will be in operation for the Christmas Services.

There is lots of room for more skaters to join the Thursday Night Adult Skating crowd at the Streetsville Arena. As a new part of the Arena activities planned this season you can skate from 9:00 p.m. to 10:30 p.m. for 50¢. So come on out and take advantage of getting back in shape and having fun at the same time.

C.T.S. THREATENS MOVE

Reeve Hazel McCallion has informed Council that C.T.S. of Canada in Streetsville has received a notice of land expropriation from the Mississauga Board of Education to expand the present Secondary School on Joymar Drive.

She told Council that C.T.S. has been given one week to decide to accept or reject the Board's proposal.

The total number of acres involved is five. The Board has chosen to expropriate C.T.S. of Canada's land rather than the land behind the school presently owned by Mallbu Investments who are in the process of rezoning the land for residential purposes.

Bell Wants Mail Delivered

Councillor Bell has suggested that Council should approach the Federal government in an attempt to implement Postal Delivery in Streetsville.

The Councillor explained that existing parking problem and traffic tie-up at the Post Office would be alleviated by the delivery of mail to the homes. He also said that due to the new postal regulations of non-delivery on Saturdays, there would be a surplus of postmen who Streetsville could employ.

Services Agreement Signed

The official signing of agreements this week between five South Peel municipalities and the Ontario Water Resources Commission clears the way for development of a massive \$88,000,000 water supply and sewage system in the area.

The signing took place in the Peel County Council Chambers at Brampton. The scheme -- the largest ever undertaken by the O.W.R.C. -- will supply treated Lake Ontario water to the Towns of Mississauga, Streetsville, Port Credit and Brampton, and the southern portion of Chingquous Township -- and will accept sewage from each municipality for treatment and disposal.

Local service will continue to be provided to citizens of each municipality by their present water and sewage authorities. The projects are being financed by a Provincial plan under which the municipalities will pay for service on the basis of usage. The O.W.R.C. will own and operate the systems on behalf of the Province of Ontario.

The initial source of water supply will be the Lakeview Purification Plant in Mississauga. Sewage will be conducted to two existing sewage treatment plants -- at Clarkson and Lakeview.

C.T.S. of Canada has asked Council to help the company in opposing the expropriation. Reeve McCallion explained that C.T.S. might be forced to move elsewhere if part of their land is taken away from them. Councillor Bell's Committee 2 will

It's Hockey Night In Streetsville

When Mrs. Santa Claus heard that there was going to be a ladies' hockey game (yes, you read right, it did say "ladies") at Streetsville Arena this Saturday, she decided she had better come with Santa when he puts in his appearance at the gala Minor Hockey Booster Night.

This will be only one event in a very full evening of entertainment at the arena. Included are five boys'

Christmas Eve

Christmas Eve will be observed with two services at Streetsville United Church on Tuesday, December 24.

At 7:30 p.m. there will be a Family Service, to which parents are urged to "bring the children."

At 11:15 p.m. the Communion Service will take place.

meet with C.T.S. Glenn Grice - Chairman of the Mississauga Board of Education, and Jack Boyd, Streetsville's representative on the Board, to investigate and discuss this proposal of annexation as soon as possible.

hockey games featuring the all-stars chosen from each division of the Streetsville-Meadowdale Minor Hockey League. This includes Mid-geet (5:00 p.m.), Paperweight (6:00 p.m.), Novice (8:30 p.m.) Pee-wee (9:10 p.m.) and Bantam (10:00 p.m.).

Also included on the program again this year is the exhibition of speed and skill by all of the famous Streetsville Tadpoles (aged 6 and under.) Their demonstration is always popular and past performances have been rated anywhere from breath-taking to hilarious. All tadpoles are supposed to be dressed and ready to play from 6:40 p.m. until 7:30 p.m. when Santa arrives. Parents who didn't get the word from their boys are assured that all boys are included on this all-star team.

Other features include a lucky draw - first prize \$100 and second \$50, as well as door prizes. Besides all this there will be free candy canes for the children. Joe Vella and his crew have been working to make this the best Booster Night in history, one you won't want to miss.

40th Birthday

W. N. Atkinson Insurance Ltd., Streetsville will shortly celebrate the firm's 40th anniversary of service to the people of Streetsville and district.

The insurance business was founded by W. N. "Wix" Atkinson in 1929, when the village then was less than one-tenth its present population as a town.

Mr. Atkinson, now in partnership with Jon Clipperton, his nephew, says 1929 was not the most auspicious year to start a new business. But time has worked it out well and today the firm is writing new business, helping to develop the Streetsville area where expanding boundaries and building proposals are an incentive to any established company.

Our congratulations and best wishes go to "Wix" Atkinson and to Jon Clipperton at this time. We are sure their many friends and clients also extend their best wishes on the firm's 40th anniversary.

Final Meeting

The final meeting of the Mississauga Roman Catholic School Board was held in the Board office, 1364 Dundas St. E., Cooksville, on Thursday, December 12. Trustees present for the meeting were S. Bator, E. LeMay, D. McCallum, G. Meehan, E. Sommerville, and A. Thompson.

J. Hugel, the Superintendent, E. Lagroix, Assistant Superintendent, H. Caswell, Business Administrator, and F. Dunn, Office Manager, were also present for the final meeting. The Mississauga Catholic Schools come under the jurisdiction of the new Dufferin-Peel County Roman Catholic Separate School Board as of January 1, 1969.

G. Meehan, the Chairman, called the meeting to order by reciting the Trustees' Prayer.

Formal acceptance of plans for the two new schools, one in Park Royal and one in Malton, as well as additions to St. Gerard, Erindale, and St. Alfred, Dixie, were approved. The Board had been asked by Mr. Yost to become either an associate or sustaining member of MEYA. This item was transferred to the new Dufferin-Peel Board.

The Board agreed to sell one acre of land from the Holy Cross School site in Malton to the Roman Catholic Episcopal Corporation for the diocese of Toronto.

The next meeting will be held in the library one week earlier than usual.

Who are they looking at...

Christmas can't be far away when that jolly "Ho, ho, ho," of Santa Claus is heard throughout the Streetsville area. The white-be-whiskered old gentleman arrived in Town on Saturday, December 14 and was stationed in the Fire Hall during the afternoon. All the youngsters who visited him received a bag of candies and had the chance of telling him their wish for under the Christmas tree on Christmas morning.

"Ombudsman"? Sherlock Criticizes Council And Review - - - - - Again

Well, the best way to describe Bill Sherlock, among other things is, (and picture this) - a guardian angel with a bar in his hand. A guardian angel because he stimulates our dormant conscience, but unlike a guardian angel who never forgets and hits you hard over the head given an opportunity.

He did just that to the Review and Council Monday night.

He criticized the Review for not printing his last two letters. To Council he said that he had promised to support them but also let them know if he thought they were not proceeding properly.

He said that there is a rumour in Town that the previous Council "looks good compared to this Council."

"I've fought hard with the previous Council and I'll fight hard with you" Sherlock said. "This Council has been in office 12 months and has done nothing - completely nothing," he said.

He criticized Council on all unfinished projects; on their decision not to repair the sewers until 1969; on their reluctance to proceed im-

mediately with annexation of lands for Streetsville's Corridor City's plan; and accused them of pussy-footing.

He remarked to the Mayor that since he (the Mayor) has publicly stated he is in favour of amalgamation with Mississauga, Mr. Sherlock does not understand how the Mayor is going to reconcile his desire with the wishes of Council. "It leaves one thinking. Big question mark," Sherlock said.

Mr. Sherlock was also annoyed at Council because he was asked to wait until the end of the business before he could speak.

He said "This reminds me of the time I wrote a letter to the Review and they put it at the bottom of the last page."

As it was Mr. Sherlock was not the last to speak. Councillor Thomas replied to Sherlock that since he is a "self appointed ombudsman" for Streetsville his remarks should be on paper giving Council a chance to deal with them and reply to them earlier in the meeting.

Merry Christmas to you, too, Mr. Sherlock.

Boundary Study O.K. "In Principle"

A motion by Reeve McCallion and Councillor Weylle to adopt the Boundary Study in principle was accepted by Council on a vote of 5-1 with Arch and MacLean absent.

The motion reads that the study be adopted in principle; that the Mayor, Planning Board and Regional Committee meet with the Minister of Municipal Affairs as soon as possible to discuss the Boundary Study and that the Provincial member of Parliament Wm. Davis be requested to attend; that a joint meeting be held with Council and Planning Board on January 9 to specifically discuss the eastern boundary of the proposed area to be annexed and that the Planning Consultant be present; that Council Boards and Commissions meet January 7 to receive comments and recommendations; and that a Public Meeting be arranged for January 15

at the Secondary School for the purpose of presenting the Boundary Study to the public.

In adopting this Study, Council feels they must show leadership in Streetsville to get the Study on its way to implementation.

The Mayor told Council that "from now on, we must act united." Alleluia, Amen!

Two Services

There will be two Christmas Services at Streetsville United Church this year.

On Sunday, December 22 there will be the regular Church service at 11 a.m. - then, at 7:30 p.m. there will be a special Christmas Choral Service when all three choirs will offer beautiful and appropriate music for the Season.

DERBYS, T-BIRDS AND HUTT FENCE
GAIN IMPORTANT POINTS

Hutt Fence gained two points as a result of a decision by OMHA to reverse the Acton score of December 7 in favor of Streetsville. Apparently Acton was guilty of playing two over-aged boys against Streetsville that night. Coincidental as it may be, the two ineligible players accounted for the 3 goals. The Derbys and T-Birds chose Burlington to gain their tie and win respectively. The Derbys should have won their game and the Thunderbirds win was real sweet.

JUVENILE DERBYS - Derbys 4 Burlington 4 Derbys 0 Guelph 3 The Derbys picked up

their ninth point of the season as a result of their 4-4 tie with the Triple "A" Burlington Club. The Derbys completely outplayed the highly rated opposition for two periods. A slight letdown in the final period saw their two goal margin slip away. Only a superlative save by goalkeeper Anderson in the final minutes preserved the tie. Ed Virus and Jimmy Walker set up Glen McPherson for his score. The speedster Dave Lyons fired a pass to Ed Virus for goal number two. Then Dave Lyons combined with Johnny Crawford to assist Doug Kalapaca,

who made no mistake. Working the puck around the Burlington net finally resulted in the night workhorse for the night Dave Lyons, scoring with Doug Kalapaca drawing an assist. In Guelph, the Derbys ran into numerous penalties that handicapped them for the entire game. Despite the 3-0 loss the Derbys look like a sure bet to finish high up in the standings. Keep up the good work fellows!

MIDGET - MAPLE LODGE FARMS - Maple Lodge Farms 3 - Burlington 7 Maple Lodge Farms 0 - Guelph 2

Maple Lodge appeared to be on the road to victory as they led 3-0 against the Burlington squad. The Maple Lodge team played very fine hockey and gave Burlington a real run for the two points. Greg Cooper scored unassisted to put Maple Lodge into an early lead. Sears and Leedham assisted on Mike Merritt's tally. Sears then collected goal number three with David Lockwood and Whaley assisting. Sears who played an exceptionally fine game, was voted M.V.P. for the home club. Young Leedham will go to Burlington to play for the Tri-County All-Star Team on December 27. At Guelph, Maple Lodge was shut out 3-0. This was a very closely contested, hard-fought game with two goals coming in stop time. No doubt this score will be reversed when Guelph returns.

BANTAM - HUTT FENCE - Hutt Fence 0 - Guelph 8 Hutt Fence 0 - Burlington 10

A greatly improved Guelph Club scored two goals in the first two minutes of play to slow Hutt Fence down for the entire contest. The Hutt Fence club tried quite hard in the final frame to break the goose-egg but to no avail. Last Saturday, the home club suffered its second defeat of the week. The score was indicative of the power of the Burlington boys. Out front, the Rollings-Chadala-O'Connor line skated miles, passed well but were simply unable to put the puck away. Despite being up against two powerful Triple A centres the Hutt Fence club played with desire and determination.

PEEWEE - IGA - IGA 2 - Guelph 4 IGA 0 - Burlington 5 IGA continues to put up a real battle against the classy Triple A clubs. Dennis Chadala and Wayne Bond scored the two goals for IGA and Wayne Bond gained recognition as the M.V.P. for his team. Wayne is one of the hardest working members of the IGA team. He is a very smooth skater who enjoys the contact that hockey offers. On numerous occasions one will see Wayne killing penalties or leading the attack on power plays. With boys like Wayne who play to the last bell, the PeeWee team is sure to get some of the lucky breaks in the very near future. It must be remembered that this is the first year of real competition for most of these lads whereas many of the players in the OMHA PeeWee loop are playing in their third or fourth year of OMHA hockey. To stay as close as 5-0 against Burlington is a tribute to the desire of our boys. Craig Glassford was M.V.P. for this game.

NOVICE - Thunderbirds 2 - Burlington 1 A large crowd came out to support the local Thunderbird Club last Saturday night and went home delighted as a result of the 2-1 victory. Playing against the Triple A Burlington club which has a population of 50,000 plus to choose their OMHA players the T-Birds came forth with a fine team effort. Burlington drew first blood by scoring in the initial period and were

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT:

- The Council of the Corporation of the Town of Mississauga intends to construct as a local improvement the following sanitary sewers together with private drain connections. Part of the cost of the work will be assessed against the land abutting directly on the work and part of the cost will be assessed to the Town of Mississauga Sanitary Sewer Area.
 - A 27 inch diameter sanitary sewer on an easement over Lot 15, Range 2, S.D.S., Racey Tract from the north easterly limit of Lot 15, (Westerly end of Paisley Blvd.) to the north westerly limit of Lot 15, (Southerly end of Floradale Drive), a distance of 80 feet at a total estimated cost of \$2,000.00.
 - A 27 inch sanitary sewer on Floradale Drive from the southerly end of Floradale Drive to Lot 10, Registered Plan 603, a distance of 490 feet at a total estimated cost of \$14,000.00.
 - A 10 inch diameter sanitary sewer on Floradale Drive from Lot 10, Registered Plan 603 to Lot 12, Registered Plan 603, a distance of 130 feet at a total estimated cost of \$2,000.00.
 - A 24 inch diameter sanitary sewer on easements over Lots 9 and 10, Registered Plan 603, from Floradale Drive to Dunbar Road, a distance of 270 feet at a total estimated cost of \$7,000.00.
- The property to be specially assessed is all property abutting the sanitary sewers described in paragraphs (a) (b) (c) and (d).
- The estimated total cost of the work is \$25,000.00 of which the Town of Mississauga Sanitary Sewer Area's share as described in By-law 7478 is \$16,100.00. The owner's cost of 17 residential private drain connections at \$200.00 per connection is \$3,400.00. The owner's cost of the sewer is \$5,500.00. The estimated cost per foot frontage is \$5.00; owner's special annual rate per foot frontage is \$0.472. The annual cost of each private residential drain connection is \$18.88. The special assessment is to be paid in twenty (20) annual instalments. The estimated lifetime of the work is twenty-one years. The total annual area's share of \$1,519.72 represents .01 mills. If you are a ratepayer in the Town of Mississauga Sanitary Sewer Area and are presently assessed at \$5,000.00 you would pay .05¢ towards the cost of this project per annum for a period of 20 years.
- Application will be made by the Corporation to The Ontario Municipal Board for its approval of the undertaking of the work and any owner may, within twenty-one (21) days after the first publication of this notice, file with the Clerk his objection to the work being undertaken.
- The Board may approve of the work being undertaken, but before doing so, it may appoint a time and place when any objections to the work will be considered.

BOARD CHAIRMAN EXPLAINS SIZE OF AREA

Grice addresses Lions

Glenn Grice, Chairman of the Mississauga Board of Education and recently elected to the Peel County Board gave his first address since his election to the Erindale, Cooksville Lions Club on Wednesday, at the Erindale Community Hall.

Mr. Grice described the formation and problems of the Interim School Organization Committee (ISOC) which included representatives from all the School Boards which will comprise the Peel County Board. He discussed the need to reduce the large number of small boards to large county size boards. This will be of benefit to students in the form of greater educational facilities such as library resources, audio visual resources and technical education facilities.

Mr. Grice regretted the poor response at the polls and noted the need for industry to take a more responsible attitude and become more involved in educational problems.

There was a lively question and answer period after which Mr. Grice invited the members of the Lions Club to the official opening of

the Erindale Secondary School on December 11. Mr. Grice was introduced by Lion Charles Leppan and thanked by Lion Bob Foote.

C.W.L. preparing baskets To brighten Christmas

St. Catherine of Siena Catholic Women's League held their monthly meeting on Thursday, December 5 with Mrs. M. Gumleniak presiding.

The meeting was opened with prayer and the minutes of the previous meeting were read by Mrs. M. Ste. Marie. Reports of interest were read by Mrs. Van Empel and Mrs. H. Galtney. Mrs. Galtney also announced a cleaning night to be held on Monday, December 16 to make the Church ready for Christmas. Plans were also made to visit the Carmelite Home for the Aged on Thursday, January 23.

Christmas baskets for the needy in the area are being prepared by the ladies with goods donated by the parishioners.

Mrs. Flahiff, Archdiocesan Membership Convenor for the Catholic Women's League demonstrated how to make beautiful and inexpensive Christmas decorations. Lunch was served by Mrs. A. Schmidt. Father Berton led the prayer to conclude the meeting.

FAMILY NIGHT

A huge crowd consisting of children from two to seventy-five made the Four Corners Square Dance Club's Family Night a great success. The event was held at Riverside School in Port Credit on Friday, December 6.

Bert Everett called the dances and the bigger children guided the little ones. It was amazing how well even the smaller dancers caught on to the dances when they had a little encouragement and direction. Pops and croonies added a perfect touch to an exciting evening. Perhaps Family Night is really for the children, but it must be admitted all are children at heart and everyone had a grand time.

Will Use Fly Ash

A \$1.5 million pilot plant will be built next to the Ontario Hydro Lakeview steam generating plant to make waste fly ash into lightweight aggregate and other concrete products for the construction industry, reports Heavy Construction News. Encon Ltd. of Toronto hopes to switch its 150,000 tons-a-year pilot plant into commercial production next year and eventually process 400,000 tons of ash recovered each year at the adjacent power plant. Similar recovery plants may be built to process ash from other thermal stations under the agreement between Encon and Ontario Hydro.

E. LeMay Is Chosen As First Chairman

The first meeting of the Dufferin Peel County Roman Catholic Separate School Board was held in Brampton Council Chambers at 2:00 p.m. on Monday, December 9. Fifteen of the sixteen members were present. These were - C. Bryant and R. Wood of Brampton, Mrs. E. Bliss, G. James, M. O'Kelly, F. Thomas, E. Somerville, S. Baror, E. Thompson, G. Meehan, R. LeMay, and D. McCallum of Mississauga; W. Metson of Bramalea; R. Hall of Orangeville and G. Duggan of Port Credit. T. O'Dwyer was absent due to illness.

G. Lummiss, Town Clerk for Mississauga called the meeting to order and had each member take the oath of office. Fr. L. O'Malley of St. Mary's Parish in Brampton, led the Board members in asking God's blessing on their work as trustees. Mrs. E. Bliss was appointed Secretary for the meeting. Mr. LeMay was elected Chairman and R. Wood Vice-Chairman of the Board.

The first item of business was consideration of the reports and recommendations of the Interim Separate School Organizational structure suggested by the I.S.S.O.C. Secretariat and recommended by the Committee was adopted

and the following appointments made: Superintendent of Separate Schools and Chief Executive Officer of the Board - J. Hugel; Assistant Superintendent - E. Lagroix; Business Administrator and Treasurer - H. Caswell; Purchasing Agent - W. Carrick; Supervisor of Plant - V. Zuccheri; Office Manager and Accountant - F. Dunn. The trustees appointed the Canadian Imperial Bank of Commerce as bankers.

A special ad hoc committee was set up to consider financial support for Grade 9 and 10 students in Roman Catholic High Schools. Members of this Committee are - A. Thompson, E. Somerville, T. O'Dwyer, J. Hugel, W. Metson and R. Hall. The present offices of the Mississauga Catholic School Board, Dundas and Dixie Road, will be used as the Administration Offices until such time as a study can be made on future requirements.

The next meeting will be held on Tuesday, January 7 at 7:30 p.m. at the Mississauga Catholic School Board offices.

Local Students Raised Fantastic Sum In Aid Of UNICEF

Children from the South Peel Public and Secondary Schools raised \$68,662.55 on Halloween night. It was announced recently by the UNICEF headquarters. This sum will now join contributions from other parts of the Province to make up the general fund at UNICEF

world headquarters in New York. The UNICEF organization, created by the United Nations to help with the relief of children victims of war, tackles its problem in three main areas - health, education and nutrition. UNICEF works this

way: A government wanting to help children in its own country suggests an assistance project. The project is then put before a selection board made up of 30 UNICEF nations which chooses those it will assist. The 30 member board is selected on a rotation basis of 10 nations each year. When a government project has been selected that government must then provide 2.5 dollars for every dollar given

by the world organization. Aid is given by providing health, education and agricultural services, by sending equipment and personnel for projects. UNICEF aid is never in the form of cash grants. One hundred and twenty countries benefit from UNICEF aid. A typical project which last year received assistance valued at the same amount raised this year in Mississauga was Dominica, one of

the Leeward Islands in the Caribbean. Seventy thousand dollars allocated to the Dominica project was spent by UNICEF establishing an integrated health ser-

vice and environment sanitation. This project, which proved so successful it is to continue in 1969, might never have been possible if it were not for

hard working school children, like those from South Peel who were able to collect UNICEF funds this year from so many generous people.

'Save The Trees' Committee Formed

The appearance of Ontario's landscape continues to be marred by dead and dying trees caused by the killing Dutch elm disease and other natural and artificial causes; a serious loss which has focused attention on the aesthetic, biological and economic problems relating to shade tree plantings. The loss is equally important in urban and rural areas and the problem and cost related to tree removal and replacement involves decisions important to the aesthetic, recreational, protective and timber production values at stake in affected sections of the Province. The formation of a continuing Committee to the Superior Shade Tree Program in Ontario has been announced by the Minister of Lands and Forests, Hon. Rene Brunelle. It is composed of senior officials from five government departments and will assist and advise with respect to such programs as the Superior Shade tree Program of the Faculty of Forestry, University of Toronto, under Professor Erik Jorgensen. A second important responsibility will be to provide

liaison between the various departments of the provincial government concerned to avoid their programs overlapping. Committee members are - A. S. L. Barnes, director, conservation authorities branch of energy and resources management; Byron Beeler, director, soils and crops branch of agriculture and food; F. W. Geary, municipal organization and administration branch of municipal affairs; Q. F. Hess, supervisor, reforestation section of lands and forests; D. M. Peacock, general manager, St. Lawrence Parks Commission of tourism and information; Harold C. Snence, chief arboriculturist of highways.

Weekly Papers Must Be Strong

A recent survey shows while only 30 per cent of homes take one or more daily newspapers, fully 70 per cent subscribe to one of the county's weeklies. The weekly newspaper continues to be a vital part of the rural community. Without this medium with which to express their views and to reflect the unique personality of the town, the community becomes simply an appendage of the nearby city.

Yet it is astonishing how many people in a community will argue the right of the newspaper to carry the news and to carry conflicting opinions.

"Why would you publish such an insane letter?" the editor is asked. "The writer obviously doesn't know what he is talking about."

"Why do you report the debates in council? How can we get men to run for council when they read about the fights?"

"Keep those figures out of the paper. The less the people know about this just now, the better. We'll tell them when the time is ripe."

"It would be better if you didn't report our meeting. The members feel freer to speak without the press present."

"Who informed the press? Is there no honour in this group?"

Any weekly editor who is trying to do a job will hear each of these questions repeated over and over during the year. And he will ignore every one of them.

He can't afford to do otherwise if he wants to protect the right of the people to know, the right of every man to speak his piece, no matter how meek, how humble, or, indeed how wrong the individual may be.

Nowadays when the rural areas no longer have the political and economic influence they once enjoyed, it is more important than ever that the weekly newspapers be strong. It is not simply a matter of resisting intimidation, but also of constantly exercising freedom to report the news and an obligation to express opinions on issues of the day.

'Smoking Sam' Interests Students

At the December meeting of the South Peel Unit of the Canadian Cancer Society, recommendations were made by an ad hoc committee as to ways in which the organization of the Unit could be made more effective, and it was decided to implement these recommendations.

The thanks of the Unit were expressed to Mrs. Elsie Sweet, A. A. Martin and R. W. Umphrey for their hard work during the move to the Unit's new office. Members of the Unit were sorry to hear that Mrs. J. F. West, Transportation Convenor for the Cookville Branch, is in hospital as the result

of an accident. The Unit Education Chairman, Mrs. W. Elmer Wright, reported that the Grade 8 pupils of Byngmount Senior School had been so interested in the Society's "Smoking - Sam" exhibit, that they were in the process of making their own smoking machine.

Principals Meet In Brampton

On December 10, the Mississauga Principals' Association entertained all the Principals from the newly formed Dufferin-County Roman Catholic Separate School Board at a luncheon and afternoon meeting held at the Thunderbird Motor Hotel in Brampton. Twenty-six principals were present. Also in attendance were the new Superintendent, J. Hugel, the Assistant Superintendent E. J. Lagroix and two Area Superintendents Mr. Hodge and Mr. McAllister.

After a pleasant luncheon, Mr. Hugel spoke briefly about the transition that will take place after January 1, 1969. Mr. Lagroix thanked the Area Superintendents for their fine work in previous years. Mr. Hodge reminisced for a time on the background of the Catholic Schools in this area, starting back some years ago in the early 1950's with a three-roomed school and advancing to the present system with approximately 10,000 students. Mr. Hodge stressed the fact that the purpose as Prin-

cipals was to foster a Christian education amongst the pupils in the schools. Mr. McAllister discussed the development of the Principals' Association from its formation through to a mature organization. He stressed the need for such an organization and the help that this organization can be not only to each member but to the full educational field.

After the luncheon, a meeting of the Association was held with Mr. Ste. Marie, the President of the Mississauga Principals' Association as Chairman. The two-fold purpose of this meeting was becoming acquainted and the constitutional changes necessary to establish the new larger organization of the Dufferin-Peel County Principals' Association.

T.L.K. Students are Winners

The Youth Corps of St. Dominic's Parish sponsored a very successful Art Exhibition. Over 250 paintings were on exhibition on December 6, 7 and 8 including some by the local artists Dr. A. Plotrowski, John Rahkola, Len Crump and M. Lipscombe. The exhibition was open to all students of Mississauga, Port Credit and Streetsville. Prizes were awarded by the judge, Ronald Okey to Liz Banning and

Cliff Smith, both of T. L. Kennedy Secondary School. The prizes were donated by Gilbert's Stationery and Alverda Enterprises of Port Credit. The entire exhibition was organized and coordinated by Anthony Flynn and other members of the Youth Corps.

HUNTER SAFETY

The number of hunters who shoot themselves, get lost, have heart attacks or drown suggests that the average hunter needs protection against himself. If you're not an experienced hunter, check with your local conservation officer or the department of lands and forests about hunter training courses in your area, and watch and follow the example of more experienced woodsmen.

STREETSVILLE ATHLETE OF THE WEEK

by
ROSS GOHEEN

Glen Mullally

One of the players who will be appearing on the program for the Booster Night at the Arena this Saturday will be Glen Mullally of the Kiwanis PeeWees. Glen has scored at least once in every game he has played this season and at present he leads all scorers in every division in the Streetsville-Meadowdale Minor Hockey Association. Last week he registered a goal and two assists to put him two points up on Mike Robinson who is also having a pretty good year. The league has about 400 boys registered so to be top scorer among that many rates Glen the honour of Athlete of the Week. This feat is more remarkable considering the fact that Glen missed all last season in hockey.

Glen swings a mean bat and played well at third base and centre field for the Streetsville PeeWee baseball team last summer. He also likes to play golf and is a student in grade seven at St. Joseph's School.

JUNIOR "C" DERBYS

The Derbys came up with one of their best games of the season last week and this time they did it in front of the home fans for a change. League-leading Milton Merchants were lucky to get out of Streetsville Arena with a 4-4 tie with the Inspired Derbys.

Milton scored before the game was a minute old and it wasn't until the last minute of the first period that John Rayner and Ron Schott combined to tie it up. The second period was scoreless until Milton tied it up with five seconds to go.

It was in the third period that left winger Bill Perks electrified the fans with three of the classiest goals we have seen all year. Sandy McLaughlin did the bullwork for the first one but it was Perks who left the goalie sprawling helplessly as he tucked the puck away to tie the score. The referees missed an assist to McLaughlin on the play but we doubt if Sandy protested. His protest might have nullified the assist to another player that, who knows?, may be starting a very successful point-scoring career - goalie Bob Templeton.

Milton tied the game 30 seconds after Perks' goal so Bill had to do it again. This time he stole the puck like an experienced pick-pocker, then neatly deposited the stolen goods behind the Milton goal tender. While the crowd was still roaring approval Perks did an instant replay, leaving the goalie prostrate again and putting the Derbys ahead for the first time.

Perks' efforts on behalf of the Derbys richly deserved for them a win but Lady Luck turned her back on the Streetsville boys again and a long slap shot from the blue-line filtered through a maze of legs, hit the goal post and went in against the "Derbys" with less than two minutes to go. Templeton couldn't see the puck coming through the crowd and the goal didn't alter the fact that he turned in a fine game stopping more shots than Derbys have faced in any game all season - seventy.

Over in Georgetown the champion Raiders have lost some of their magic touch against the rest of the league, but they still hold a whammy over the Derbys. The Georgetown team doubled the score, 8-4 on our boys but the teams still meet twice more in the regular schedule. Let's hope the jinx wears off by their next meeting.

The game in Bowmanville has been switched to Monday night which will be the Derbys' next game. The next home game will be one the Derbys hope all the younger hockey fans in Streetsville will come to see. It's in the Christmas Holidays, Boxing Day, December 26 to be exact and will be an afternoon game starting at 2:00 p.m. This is an opportunity for a whole lot of fans to see our Derbys who are well worth coming to see. We received the following letter which we publish in its entirety:

"Dear Sir:

May I please scrounge a little space in your weekly column, to add an appeal for a little more support from you, the parents of these boys, who play for the town we live in. They need your moral support, especially in this first year of Tri-County hockey. I know it is difficult to get to each game, but once in a while, let there be more than half a dozen of the same old group, giving them a cheer. Just think how frustrating it is to lose, like they have been doing, and this first year will be tough for them, that's why I think it would be a good idea for a New Year's resolution: We will endeavour to get down more often to cheer our boys up, and on. Thank you, and best wishes for the coming year,

"A Mother Supporter".

You have said it better than I could, Mother Supporter. It always has been a mystery to me how some parents can let their sons go to game after game of hockey, lacrosse, baseball or soccer and not show up at any of the games.

It seems to me that curiosity alone would bring them around once in a while and a feeling of responsibility should have all parents at a majority of the games. True, we may not be able to be at every game, but I think your suggestion for the new Year's Resolution is a good one, Mother. Maybe some day, some of you parents will wish you had found time to take more of an interest in such a wholesome activity as team sports. So take the time, Mom, Dad, to encourage him. There are other things less wholesome your boy can turn to if he doesn't receive the praise and interest he deserves. Just For Participating - not necessarily for being the star of the team.

STREETSVILLE - MEADOWDALE HOCKEY

In the twenty-four teams preparing for their big Booster Night this Saturday at the Arena, only one player, Doug Rayne, joined the hat-trick club, mainly because only three teams scored more than two goals. In the lowest-scoring Saturday of the winter, six goal-tenders got shutouts. PAPERWEIGHT

The biggest shutout parade was in the Paperweights where three of the four goalies stopped all shots at their nets. Paul Taylor of STREETSVILLE FLYERS and Mark Holmes of ELDER PACKING were the goal-tenders in their teams' 0-0 tie. George Araujo scored the only goal of the game and Kenneth Whetham earned the shutout as MOORE ELECTRIC beat STREETSVILLE PHARMACY 1-0.

NOVICE

Doug Payne's three goal production led CANADA BRICK to a 5-0 win over CANADIAN TIRE. Kent Tasker and Rick Very scored one each, Robert Evans had an assist and Jim Coates chalked up his second shutout. KERR FLOORING came from behind a 2-0 deficit on goals by Bob McLaughlin and Peter Dickey to tie league-leading REID MILLING 2-2. Gary Walker pulled into a tie for the scoring leadership by scoring the first goal of the game, then assisting Gord Ladner's goal.

Steve Wicklum scored both LIONS CLUB's goals with assists from Frank Araujo and Richard Stroud in their 2-2 tie with DOMINION SASH. Blair Rogerson led Sash by assisting Derek West's goal and scoring one unassisted.

DON'T FORGET BOOSTER NIGHT - THIS SATURDAY

PEEWEE

Unbeaten HOY'S CAFE had to come from behind twice to tie CONSUMERS GAS 2-2. Mike Cormier and Dave Baldwin twice put their team ahead but both times Hoy's Paul Kelly tied it up. Eddie Machin and Mike Robinson assisted on the goals.

Glen Mullally and Gord Bonham were the biggest guns in KIWANIS CLUB's 5-2 win. Glen scored once and assisted two; Gord scored twice. John Halliday had a goal and an assist, Mike Thomson had a goal and Jim Rowe had an assist. Jeff Roberts from Keith Norris and Rick Culshaw from Jim Gray were the losing KINSMEN marksmen.

Goalie Mark Odd of ATKINSON INSURANCE shut out MAPLE LODGE FARMS 2-0 on the strength of goals by Guy Killaby and Dan Harris. Steve Peria and Fraser Lakhurst drew assists.

BANTAM

Phil Burnford racked up his fourth shutout in five games as CANADIAN LEGION beat ROBINSON'S PHARMACY 2-0. Ron Osbourne scored both goals and Bill Merkley assisted both. Kim Flowers also had an assist.

CANADA BRICK TRUCKERS got a goal and 2 assists from Andy Bergman, one goal and one assist each from Mike McAllister and Al MacLean, goals from Keith Flood and Colin Preston and assists from Ken Christie Robin Waddell and Jack Naylor to defeat PEMROW PIPELINES 5-2. Joe Mota scored both Pemrow goals with Jim Kerr and Allan Araujo drawing assists.

LONG'S SERVICE CENTRE beat ROTARY CLUB 2-1. Larry Ferguson and Andy Miller from Terry Cormier accounted for the winner's goals while Brian McInnis got Rotary's only goal assisted by Mark Gohan and Mike Roy.

HIGHSCHOOL BASKETBALL

By extending the powerful Kennedy Kougars into overtime before bowing 51-47, the Streetsville Tigers seniors have established themselves as one of the top teams in the area. The Tigers were led by Larry Nuttal, Chris Smith and Don Gilpin and almost upset the highly-gated Kennedy team and their star Rick Klazka who collected 29 points.

The juniors won their second straight 36-31 over Kennedy in the first game of the double-header. Bruce Theune, Greg Vlens, Sutherland and Randall's sparked the attack for Streetsville while Roman Snider was top man for TLK.

Newlyweds Make New Home In Clarkson

Eden United Church, Streetsville, was decorated with white standards of yellow and bronze chrysanthemums, ferns and lighted candelabra on Saturday, October 19, 1968, when Glenda Ruth Mason became the bride of Edward (Ted) Thomas James Walter. The bride is the daughter of Mr. and Mrs. Wilmer Mason, Streetsville, and the groom is the son of Mr. and Mrs. Thomas Walter, Brampton.

The double ring ceremony was performed by Rev. Keith Hawkes, and the soloist, Miss Joan Beatty of Milton.

sang O Perfect Love and The Song of Ruth, accompanied by the organist, Mrs. George Newell of Milton. The Eden United Church Choir sang the Processional Hymn, Praise My Soul the King of Heaven.

The bride, given in marriage by her father, wore a floor-length gown of white silk organza over taffeta. The fitted bodice was adorned with rose point lace and small clusters of seed pearls. The lace extended into applique on the long graceful sleeve and skirt and a large bow at the waistline caught the full flow-

ing train. A crown of seed pearls and crystal enhanced with crystal drops held her scalloped four-tier veil in place. She carried a cascade of red roses amidst white carnations and stephanotis.

Mrs. Wilma Ella, of Hornby, sister of the bride, was matron of honour. Also attending the bride were Mrs. Lynda Harris, Caledon, sister of the groom, Mrs. Joy Trimble of Orangeville and Mrs. Peggy Marquardt of Mississauga, friends of the bride. Miss Kimberley Ann Auty, Streetsville, a friend of the bride, was flowergirl.

The matron of honour and the flowergirl wore gold floor-length princess line gowns of worsted and ribbed silk with lace trimmed neckline and elbow length sleeves. A heavy lace trimmed panel attached at the neckline, fell from between the shoulders. The bridesmaids wore identical gowns in Fall green. A large matching bow adorned their hair and they carried a large yellow chrysanthemum highlighted with gold sparkle dust and encircled by small bronze chrysanthemums and sprays of rust, gold and green barley. Each wore a cultured pearl bracelet and earrings, a gift of the bride.

The best man was Charles Fraser of Brampton, a friend of the groom and the ushers were James Walter Brampton, brother of the groom, Stanley Young, Bramalea, a friend of the groom, and Lorne Ella, Hornby, brother-in-law of the bride. The ringbearer was Gregory Harris, a nephew of the groom.

The reception was held at Stewarston Community Hall, Georgetown, where the bride's mother received for her daughter, receiving a white boutique knit dress with matching jacket trimmed with gold. She wore gold and white accessories and a mauve cymbidium orchid completed her ensemble. The groom's mother received for her son wearing a Coral Ice three-quarter sleeve bonded boucle dress with black accessories. A green cymbidium orchid completed her ensemble.

A three tiered wedding cake made by the bride's mother and aunt Mrs. Harry Lowden, adorned the bride's table accompanied by long tapering gold candles. The hall was decorated with gold and green streamers and the guest tables were adorned with small yellow chrysanthemums and fern. The dinner was catered by the ladies of Eden United Church.

Among the guests were the groom's grandmother, Mrs. Lottie Gregory. For a honeymoon trip to British Columbia and the Northern States, the bride wore a moss-green worsted crepe suit with mink collar, brown accessories and a yellow cymbidium orchid.

Upon their return, Mr. and Mrs. Walter took up residence at 1538 Springwell Ave., Clarkson. The bride is employed as a secretary at the South Peel Hospital, Mississauga, and the groom is a police constable on the Metropolitan Toronto Police Force.

Prior to their marriage, the bride was honoured at several showers and presentations. Mrs. Bruce Auty, Streetsville, was hostess, assisted by Mrs. Steve Varga, for a miscellaneous shower. Mrs. Lynda Harris, of Caledon and Mrs. Marilyn Walter, Brampton, were hostesses for a miscellaneous shower at the Blue Flame Room at Consumers Gas, Brampton, when guests were relatives and neighbors of the groom; Mrs. Peggy Marquardt, Mississauga and Mrs. Evelyn Madill were hostesses to the Office and Medical Records Staff of South Peel Hospital at a miscellaneous shower; Former neighbors feted the bride at a miscellaneous shower at the North Trafalgar Community Hall, Hornby; Mrs. Stanley Hyatt was hostess, assisted by Miss Mary Lynn Hyatt for a miscellaneous shower given by the

A Gift From The Heart For The Heart

G. S. Shipp and Son Limited - one of the largest home-building firms in the area - is observing Christmas 1968 in a very practical manner - but in the true sense of 'giving'.

In a letter Mr. Harold G. Shipp says:

"This year some of our friends and associates are not with us. They have succumbed to the all too busy pace of life. In some cases their passing might have been due to the lack of medical aids and equipment not being available to help them at the time of their need."

"It is with this thought in mind that we are donating to the South Peel Hospital, on behalf of our friends, Cardiac Monitoring Equipment,

Including a Duo-trace Cardiacscope, Recorder, Defibrillator, Heart Rate Alarm and Pacemaker. This equipment will be used in the Emergency Department of the hospital to aid in immediate treatment and detection of heart attacks, which may help to alleviate the discomfort and distress of those all too often sudden heart attacks, and, more importantly, save a life!

"We hope and trust by this gesture on the part of the 'Shipp' family to our community hospital, that we are expressing our concern for the continued good health of those friends and associates in this ever-thriving residential construction industry in which we are so proud to be a part."

SAFETY FIRST

WHEN DISCARDING DRUGS - that have already served their purpose, be careful. Flush them down the toilet or otherwise make certain they do not fall into the hands of children. This is a reminder from the Department of National Health and Welfare.

HANDY VICTIMS - Forty percent of the victims in hunting accidents, in Ontario in 1967, were shot while standing within ten yards of the shooter.

George Campbell and William Michael, both 16 years old, and Glen Davis, 19, pleaded guilty to assault causing bodily harm. The three youths amused themselves, earlier this month, by throwing eggs at passing cars and pedestrians, while they were riding in a car. The driver of one of the egg-spattered vehicles took pursuit and caught up with the pranksters in the vicinity of Dixie Plaza. When he asked them the reason for their action, he was punched and kicked in the face by the three. The 19 year old victim received bruises to his temple, a black eye and a cut lip. Provincial Judge G. B. Green requested pre-sentence reports prepared before passing sentence on the trio.

John Gould, 27, John Quail, 26, and Robert Wilson, 28, were somewhat the worse for drink when they decided to smash the display window of a camera shop. They removed equipment valued at \$1,127 which was later recovered. The accused men, normally were law-abiding citizens, their Counsel told the court. Probation for a period of eighteen months was imposed.

Pre-Christmas Luncheon For Cancer Society

Christmas festivities started early for the executive of the Erin-dale Branch of the Canadian Cancer Society with a Pre-Christmas Luncheon held at the home of Mrs. C. T. Lep-pan, Branch Education Chairman. Each member of the executive was invited to bring a guest - someone interested in the work of the Society or one of the volunteer drivers - and also her favourite salad.

The tempting variety of salads was enjoyed by all - even the calorie counters!

Mrs. Art Gammins, the Branch president, spoke briefly of the work the Branch had been doing in the past few months, and Christmas parcels were made up for distribution to patients in the area. On behalf of the executive, Mrs. Norman Collier thanked Mrs. Gammins for her leadership during the past year and presented her

with a Christmas table decoration.

HUNTERS NOTE

CARELESS YOUTH - Young hunters less than 20 years of age, are responsible for 38 percent of the hunting accidents in Ontario.

DANGEROUS GAME - Rabbits are the most dangerous game to hunt in Ontario. Rabbit hunters are involved in 26 percent of hunting accidents; 22 percent involve the hunters of deer, moose, wolf and bear.

HAPLESS HUNTERS - Hunters shoot themselves in 31 percent of the hunting accidents in Ontario.

CLEAR TO KILL - The visibility was rated "Clear" in 45 percent of the hunting accidents in Ontario in 1967.

The Titanic struck an iceberg and sank in the Atlantic in 1912, with the loss of 1517 lives. This is still remembered, spoken about and written about as one of the greatest accidental disasters in recorded history. The Ontario Safety League points out that more than this number of violent deaths occur every year on Ontario roads, and forty times as many neonle are injured. In North America as a whole, traffic deaths add up to the equivalent of the Titanic disaster every 9 days.

HOLIDAY ENTERTAINMENT -

Two Wine Punches & Cheese To Please Any Palate

Next to Christmas Shopping, I don't think there's any more frustrating job than selecting and preparing food for a number of guests during the festive season.

But, sure as there is an answer to all things, there is an answer to this entertaining dilemma, as the ladies of St. Patrick's C.W.L. found out last Wednesday evening.

Last Wednesday, the group was very fortunate in having Marie McCormick of the Jordan Wine Company present a demonstration on Wine and Its Many Uses.

And as promised, last week, we list two Wine Punches here for you. (These have been tested so it is on this writer's strong recommendation that you, the readers, try it!)

PINK PARTY PUNCH

Place quantity of ice in punch bowl and add the following:

- 4 26 oz. bottles Still Rose
- 2 large bottles Seven-Up or Soda Water - (26 oz. size)
- 1 6 oz. bottle Maraschino cherry juice
- Float orange slices.
- Str well and serve in wine glasses with a stemmed cherry.
- Will serve 45-50 guests one drink each. (Total cost under \$8.00.)

CRACKLING ROSE PUNCH

Place quantities of ice in punch bowl and add the following:

- 4 26 oz. bottles chilled Crackling Rose
- 1 13 oz. bottle Claret, for desired colour
- 1 26 oz. bottle Jordan Zing
- 4 12 oz. bottles Seven-Up

- 1 oz. lemon juice
- 1 oz. lime juice
- Float orange slices.
- Str well and serve in champagne or wine glasses. Will serve 35-40 guests one drink each.

PORCUPINE CHEESE BALL

- 1 4oz. blue cheese
- 1 8 oz. cream cheese
- 1 lb. sharp cheddar cheese (at room temp)
- MIX IN:
- 1 tsp. flaked parsley
- 1 tbsp. worcestershire sauce
- 2 tbsp. minced onion
- 1/2 c. finely chopped walnuts

Mix together and shape into two balls. Refrigerate for two hours. (This can be done the day before.) Before serving, sprinkle with paprika. Decorate with olives on colored toothpicks. Delectious!! Place the Cheese Ball in the centre of the

serving dish and place assorted crackers around it.

True Christmas Spirit

This Christmas give a Gift of Service. Let us not indulge ourselves completely during this Festive Season. Call your Local Welfare Agency today to see what YOU can do to help someone less fortunate have a Happy holiday. This of course, is the TRUE SPIRIT OF CHRISTMAS.

Garbage will not be collected on New Year's Day, January 1st, 1969. Garbage, in the areas affected will be collected on Thursday, January 2nd, 1969.

Christmas trees will be collected in all areas of the Town of Friday, January 3rd, 1969 and Monday, January 6th, 1969.

W. A. Hamilton,
Commissioner of Works.

IMPORTANT NOTICE GARBAGE COLLECTION TOWN OF MISSISSAUGA

In order to provide all residents of Mississauga with two garbage collections per week during the holiday season, it will be necessary to defer the second collection of the week by one day.

There will be NO Garbage Collection on Thursday, December 26 and Thursday, January 2.

The collections that would normally be made on these days will be made on Friday, December 27, and Friday, January 3.

The collections that would normally be made on Fridays, will be made on Saturday, December 28, and Saturday, January 4.

Your co-operation in placing your refuse for collection on these days will ensure maximum service for all.

2 Cooksville Men Charged With Leaving Accidents

On Wednesday, October 2 at 10.15 p.m. on Q.E. Way eastbound lanes near Parklawn Avenue, a vehicle driven by John Lyons, age 23 with a passenger Gail Lyons, also 23, was struck in the rear by

another vehicle. The Lyons' vehicle left the highway and rolled over in the median. The passenger Gail Lyons was pronounced dead on arrival at hospital. The other vehicle and driver fled from the scene.

On October 4 George Edward Cleland, age 32 of 2100 Camilla Road, Mississauga, was arrested and charged with Failing to Remain at the scene of an accident and Driving under Suspension, by Prov. Const. J. Kirk of O.P.P. Port Credit Detachment.

On December 12 Cleland appeared in Provincial Court in Toronto before Provincial Judge J. Butler, entered a plea of Guilty to Fail to Remain. After hearing the evidence Judge Butler sentenced George Cleland to 9 months in Ontario Reformatory.

HIT AND RUN M.V.A. At 11.40 p.m. Q.E. Way eastbound near the 9th Line a hit and run accident occurred. The area is patrolled by the Oakville Detachment of the OPP, who requested assistance of OPP Port Credit Detachment. Prov. Const. Wayne Skelley of Port Credit OPP found the wanted vehicle parked in a

shopping plaza on Dixie Road and Bloor Street. Shortly thereafter P.C. Skelley of Port Credit OPP and P. C. Newby of Oakville OPP arrested James Elliott of 1400 Winding Trail Road in Cooksville. Elliott was charged with Failing to Remain at the scene of an accident by the Oakville OPP officer.

Have Merry Party

Friday, December 13 Round dances and square dances were called by Marge and Don Sherlock and for a change of pace Don played a tape recording made by a Square Dance caller who had taken a group of square dancers to Japan. Japanese callers use the English terms and although they cannot converse in English it was very interesting to learn how widespread square dancing has become.

Comical skits were put on by the members of the Beginners' group, the Intermediates and the Executives, with an especially funny skit put on by Ian Andrews, Bob Denham and Bob Gibson. The evening came to a happy conclusion with the arrival of Santa Claus who distributed small gifts to everyone.

M.H.L. Day At Gardens

All eleven minor mid-get teams plus the bantam representative team of the Mississauga Hockey League will play a series of exhibition games at Maple Leaf Gardens next Sunday, December 22.

The public is invited to see the local boys in action between 12 noon and 4.30 p.m. and there is no admission charge.

The complete schedule of games is as follows: 12.00 p.m. - Lorne Park Centre vs Applewood Motor Express

12.40 p.m. Cloverleaf vs Clarkson Hill of Canada

1.35 Malton vs Port Credit Hydro

2.05 Lakeview Eady Bros. vs Erindale King City Cons.

3.00 Cooksville vs Lyndwood Queensway Rest.

S. P. Hospital Auxiliary awards Life Memberships

Life memberships Mrs. H. G. Pepall, now living in Toronto, who was the first Area Convener for Erindale, and Mrs. Stanley Bayon, a former Vice-president, who helped initiate the first Sewing Committee

for the Auxiliary and is currently Layette Convener, were presented with the pin of service by Mrs. H. M. Greene. A letter of thanks from Mrs. Pepall was read at the

meeting, and Mrs. Bayon expressed personal satisfaction in being able to participate in the work of the Auxiliary. How many realize the Auxiliary had its beginning three years before the hospital opened its doors?

At an open meeting in 1955, a group of enterprising women under the leadership of Augusta Adamson formed the Auxiliary to raise funds and to supply linen to the new hospital. At that time, the ladies met in the homes, sewed tirelessly, (they still do) and formed project committees and so prepared the way for an organization that was to become one of the largest Auxiliaries in Canada, prodigious in terms of achievement and service to the South Peel Hospital and the community at large.

Commenting on the approaching target date of the Auxiliary's pledge of \$50,000, the President noted its success was already assured, with the purchase of two deposit receipts for \$16,500, as well as fund-raising projects which continue to accumulate: Orchard Heights - \$500; Gift Shop - \$8,000; North Cloverleaf - \$400; Membership - \$2,856; Dance at the Galaxie Club - \$998.79; Cloverleaf South - \$600; Streetsville - \$200 and Pinewood Heights - \$300.

Christmas activities for patients in the new wing were outlined by Mrs. John Burn, and include a band concert, a dance party with staff members invited, and strolling minstrels with guitar will entertain on Christmas Eve.

Mrs. J. Lailey announced a specialized service using volunteers in the operating room, will be starting in January, as outlined by Miss Rita M. Brown, Director of Nursing. Following the Christmas holiday, Mrs. Lailey will be back in her office on Wednesday morning, January 8 with the regular interview sessions.

Floral Delivery had a record month in November when over 500 bouquets were delivered to patients throughout the hospital.

A letter of thanks which was sent to all sewing volunteers from James J. McCarthy, the Chairman of the Board, was read at the meeting. From October 9 to December 11, 834 hours of sewing were totalled by members of that committee.

Cruise-wear and easy-pack clothing, will be modelled at a Fashion Show and Bridge, sponsored by Erindale Woodlands on January 14 in the Senior Lecture Room. It will be dessert and coffee at 7.30 p.m. - tickets from your street captain are \$1.50 each.

PUBLIC NOTICE

PLEASE TAKE NOTICE THAT the Council of The Corporation of the Town of Mississauga has declared Boxing Day, Thursday, December 26, 1968, as a Civic Holiday in the Town of Mississauga.

Gordon Lummiss,
Clerk,
THE CORPORATION OF THE
TOWN OF MISSISSAUGA

#2179

THE CORPORATION OF THE TOWN OF MISSISSAUGA PUBLIC NOTICE

TAKE NOTICE THAT:

1. The Council of the Corporation of the Town of Mississauga has received a valid petition for the works described below and intends to construct as a local improvement the following roads. Part of the cost of the work will be assessed against the land abutting directly on the work and part of the cost will be assessed to the Corporation of the Town of Mississauga. The roads to be constructed are as follows:

- A 30' foot wide road on Aimco Blvd. from Dixie Road to 450 feet west of General Road, a distance of 2,250 feet at an estimated cost of \$72,000.00.
- A 30' foot wide road on Bradco Blvd. from Aimco Blvd. to Matheson Blvd., a distance of 2,100 feet at an estimated cost of \$67,000.00.
- A 30' foot wide road on General Road from Aimco Blvd. to Matheson Blvd., a distance of 2,050 feet, at an estimated cost of \$65,500.00.
- A 30' foot wide road on Matheson Blvd. from Dixie Road to 450 feet west of General Road, a distance of 2,250 feet at an estimated cost of \$72,000.00.
- A 30' foot wide road on Ambler Drive from Matheson Blvd. to 480 feet north of Matheson Blvd., a distance of 480 feet at an estimated cost of \$15,500.00.

2. The property to be specially assessed is all property abutting the roads described in paragraphs (a), (b), (c), (d), and (e).

3. The estimated total cost of the work is \$292,000.00 of which the Corporation's share is \$7,750.00. The owners cost of the road is \$167,950.00. The estimated cost per foot frontage is \$11.12; the owners special annual rate per foot frontage is 1.583¢. The Developer's cash contribution is \$44,300.00 and \$72,000.00 is to be paid in cash from the Development Fund. The special assessment is to be paid in twenty (20) annual instalments. The estimated lifetime of the work is twenty-one years. The total annual Corporation's share of \$1,103.43 represents .01 mills. If you are a resident in the Town of Mississauga and are presently assessed at \$5,000.00 you would pay .05¢ towards the cost of this project per annum for a period of twenty (20) years.

4. Application will be made by the Corporation to The Ontario Municipal Board for its approval of the undertaking of the work and any owner may, within twenty-one (21) days after the first publication of this notice, file with the Clerk his objection to the work being undertaken.

5. The Board may approve of the work being undertaken, but before doing so, it may appoint a time and place when any objections to the work will be considered.

DATED AT MISSISSAUGA this 13th day of December, 1968.

G. LUMMISS, Clerk,
Municipal Offices,
100 Dundas Street West,
MISSISSAUGA, Ontario.
